Felipe Garzon

WordPress & Web Builder · Automation · AI Agents

Miami, FL (open to remote) · felogarzon@gmail.com · fgarzon78.github.io/felipe-garzon-portfolio · github.com/fgarzon78 · English and Spanish

SUMMARY

Web builder with 20+ years in design and the web. I design, build and maintain WordPress and Shopify sites, then connect them to automations and AI tools (Make.com, Claude, ChatGPT) that save teams hours every week. Four years maintaining 12 medical-practice websites at MEDNAX, plus hands-on marketing and sales experience, so I build sites that bring in business.

SKILLS

- **Websites:** WordPress, Kadence, Shopify, GoDaddy, page layout and branding, forms, member logins, document libraries, search engine basics, site speed
- **Code:** HTML, CSS, JavaScript, Node.js, Next.js, Supabase, GitHub, Vercel, Netlify
- **Automation and AI:** Make.com, Zapier, Claude and ChatGPT, AI agents, AI images and video, ElevenLabs
- **Marketing tools:** Mailchimp, Constant Contact, HubSpot, Stripe, Instagram and Facebook, email campaigns

EXPERIENCE

Founder & Product Builder — Orvinn (orvinn.app) 2025 – Present

- Designed, built and run an AI marketing platform for small businesses, realtors and agencies: marketing site plus full web app.
- Connected 8+ outside services (Square, Clover, Mindbody, Mailchimp, Constant Contact, Facebook, Instagram, Google) and Stripe billing.
- Built AI workflows that draft posts and emails, with a person approving changes before anything is published.

Builder — Lucas AI Agent (lucasnode.app) 2026 – Present

- Built an AI agent that finds, bids on and delivers work on AI marketplaces: sourced research, lead lists, images, websites and AI videos.

Licensed Realtor & Founder — GarzonRE, Fortune Christie's International Real Estate Current

- Built the bilingual garzonre.com on WordPress and Kadence; automated Instagram content with Make.com, Claude, Placid and ElevenLabs.
- Closed $4.7M+ in sales, guiding domestic and international clients from first conversation to closing.

Social Media & Design Production Manager — Ricambi OEM 2020 – 2024

- Built and ran the Instagram sales channel: $18K in the first 25 days and $100K+ in ten months; produced product photos and visuals.

Marketing Coordinator — Riva Motorsports 2017 – 2018

- Ran email, web, social and event campaigns, including monthly customer events of about 120 people.

Web Production Specialist — MEDNAX Medical Group 2013 – 2017

- Maintained 12 medical-practice websites nationwide: page and content updates, digital assets and requests from multiple practices.
- Managed content and email campaigns in HubSpot and trained practice directors and staff on web and digital tools.

SELECTED WEBSITES

rsltha.com (WordPress community site with member login and document library) · garzonre.com (WordPress, Kadence) · orvinn.app · lucasnode.app · routehelper.netlify.app
